Pres. Wm. J. Kerr,
Logan, Utah.

Dear Sir:

For years this Bureau has endeavored to secure the very best talent of this country for its Membership. Our efforts have been seconded not only by scores of eminent educators in this country, but also by our own representatives in some of the leading educational centers of Europe.

As a result we have secured as members hundreds of exceptionally well-equipped men and women, and our list is now much larger and stronger than ever before. We doubt whether another such a list exists in this country.

We shall be pleased to make nominations for any Vacancies likely to occur in your Faculty, or for any new places in the same. Should you prefer it, we will furnish preliminary data regarding prospective candidates. You may thus make your selection before we notify them to apply.

Thanking you for the favor of receiving your vacancy notices, I am,

Very cordially yours,
